---

The HSCRC is pleased to inform you that the Commission approved continued funding of the Nurse Support Program (NSPI) for FY11 at the lesser of: the requested amount or .10 % of the individual hospital's gross patient revenue for FY2009.

This is to request budgets for the NSP I FY11. Please submit your budget by **Friday June 18, 2010**. If you need to modify your existing budget, include a narrative describing the nature and purpose of the revision in addition to the budget form for FY11. Otherwise, the previously submitted amount will be used.
