Re: Rate Center Reconciliations of Inpatient and Outpatient Case Mix Data Reports.

The purpose of this memo is to inform you of the new HSCRC procedure for returning your hospital's Rate Center Reconciliations of Inpatient and Outpatient Case Mix Data Reports. Currently electronic excel copies of your Rate Center Reconciliations of Inpatient and Outpatient Case Mix Data Reports are sent.

The Commission will allow 10 days after the Initial and Final Close date for each quarter for hospitals to submit the Rate Center Reconciliations of Inpatient and Outpatient Case Mix Data Reports. This additional time will allow your hospital time to correct data after the Initial and Final submission date. These dates will be posted in the upcoming FY11 Production Schedule.

If you have any questions concerning the above, please contact me at 410-764-2566.
